CHAMPION WILL BE ATTENDING THE CESIPMA CONVENTION IN LAS VEGAS. CHAMPION BOOTH #72565, JAN 10 - 13, 2012

Calling all ADs, mark your calendars now and be sure to make an appointment to meet with us in Las Vegas. This year's convention will be held in the Venetian Hotel, located on the Vegas Strip.

This is the first year that the PMA will be held along with the

CES convention and we are anticipating a great show and high attendance.

Champion's Chairman Award Winner for the Americas, South Florida Imaging, has informed us that they will be using CSS Inks with an Epson printer at their PMA booth and welcome our Authorized Distributors to see the performance and quality of the Champion CSS Inks in action.

We extend an invitation to all AD's attending the 2012 PMA Convention to meet with us at the Champion booth, #72565, and recommend you make an appointment with us prior to the convention.

Seasons Greetings and Happy Holidays.

The entire team at Champion Photochemistry wishes our worldwide family of Authorized Distributors Seasons Greetings and a Happy and Prosperous New Year.

CHAMPION CSS INKJET PRODUCTS FEATURED AT PMA

As the *Photochemical Specialists* we remain committed to our last man standing strategy. The assurance of providing proven photochemical performance products and top value is engrained in every Photochemical Specialist.

We also acknowledge that technology is changing at break neck speeds and it is essential that Champion changes and provides our ADs with innovative, new products for many years to come.

During the 2012 PMA convention, Champion will be featuring our full range of CSS Inkjet products and CSS AD program.

Among the highlights of our CSS offering are the new HP* Z6100 inks and the new Epson* 700 ml series of inks for the 7700/9700, 7800/9890, 7900/9900 series of Epson printers.

We invite all of our ADs to meet with us to review these exciting new products and explore the many advantages of the CSS AD program. We are certain it will prove to be a great addition to your offering now and for many years to come.
