**2. TERMS**

All orders are subject to acceptance by Seller and to Seller's Standard Terms and Conditions of Sale.

**3. TECHNICAL ADVICE**

Seller assumes no liability arising from negligence or other cause whatsoever for any technical advice given or results obtained therefrom, all such advice being given and accepted at Buyer's entire risk.

**4. NO MODIFICATIONS**

No modification of, or addition to these standard terms and conditions of sale, shall be effected by the acknowledgement or acceptance of Buyer's purchase order containing additional or different provisions.

**5. TAXES**

Any tax or other governmental charge upon the sale and or shipment of the goods sold now imposed by any governmental authority in the country of sale or of location of the Buyer, or hereafter becoming effective prior to delivery of the goods, shall be added to the total invoice price and shall be paid by the Buyer.

**7. WRITTEN CLAIMS**

Any claims as a result of defects in or damage to the goods sold must be made in writing to the Seller within five days of the date of delivery, failing which it is conclusively presumed that the goods arrived in good order and condition and free from any defect of any nature.

Seller reserves the right to change the terms of payment at any time before shipment. Non-payment on a due date shall entitle Seller in its sole discretion to request payment of all outstanding balances whether due or not. Non-payment on a due date shall also result in further supplies being withheld.
